

# SimOps Structural Report

Component: Cube

Date: 2025-12-27 12:37

PASSED

## Analysis Metrics

|                       |                |
|-----------------------|----------------|
| Strategy:             | HighFi_Layered |
| Load Case:            | 1.0G Z-Load    |
| Max Von Mises Stress: | 0.0000E+00 MPa |
| Max Displacement:     | 0.0000 mm      |
| Safety Factor:        | > 1000         |
| Elements:             | 2,524          |
| Nodes:                | 0              |

## Stress Distribution
